

2018 Lenten Sermon Series

JESUS VS THE ZOMBIES

Zombies are the bad ideas that have popped up at various misguided moments in the Church's history and for whatever reason keep coming back and, in some cases, exert a kind of stranglehold on the life of Christians and the ministry of the Church. The way we fight off these Zombies is with better ideas—with good solid theology that reflects the grace of God, the compassion of Jesus, and the life of the Spirit.
